Nutrex Lipo 6 Review

Is Nutrex Lipo 6 a Scam?

No complaints are found on consumer complaints websites, and no complaints are found in various web forums.

Pros:

-Nutrex Lipo-6 is both a fat-burner and an appetite suppressant that can effectively reduce the fat stored in your body. This product was awarded the "Fat-Loss Product of the Year" award in 2005, 2006, and 2007.

-Manufactured as liquid capsules for quick absorption by the body.

Consumers almost unanimously vouch for the effectiveness of this product, which indicates that it seems to be working for most people.

Cons:

None noted.

Side Effects of Nutrex Lipo 6:

Some consumers have reported being edgy from the extra energy. It is also advised that you drink plenty of water while taking Lipo-6 to avoid getting stomach aches.

Customer Feedback / Comments:

"Appetite Supression: 9/10. Amazing job. Eat 1/2 - 3/4 of what I normally eat and am very satisfied with doing so. Energy: 7/10. Feel "good" and not depressed all day, even when my sleep sucks. Added 5 mins to my running time. Not an amazing super-high though." -- Actual Consumer Feedback from Bodybuilding[dot]com Forums

"My body fat % was dropping already due to the intense workouts that I was already doing, but the drop rate definitely picked up after the first week on Lipo 6...I would say that Lipo 6 (liquid tabs) is an effective product and would recommend it to a friend. I am now at 240 lbs at 18.1% B.F. and dropping..." -- Actual Consumer Feedback from Bodybuilding[dot]com Forums

"Last year i used the Lipo 6x pills and i lost 48 lbs in 5 months, I went through hell to lose the weight but i really think the pills helped alot, i ate 1/2 what i normally ate..." -- Actual Consumer Feedback from Bodybuilding[dot]com Forums

"I have been taking Lipo 6 for about a week now and have lost 3 LBS so far which I think is fantastic." -- Actual Consumer Feedback from Bodybuilding[dot]com Forums

"I have been taking lipo 6 for a week. I went from 210 down to 203. I love this stuff." -- Actual Consumer Feedback from MedicalNewsToday[dot]com Forums

"I did Lipo6 for 2 months and went from 185 to 168 after dieting first for 6months. It definatly helped me continue to lose weight" -- Actual Consumer Feedback from BodyBuildingForYou[dot]com Forums
